The FSG contains information about:

- How we are licensed to provide Financial Advice
- The financial services that we provide
- The advice process
- Documents you may receive
- How we are paid & associated companies
- Your privacy
- How we resolve disputes, and what you should do if you have one.

Please take the time to review both the FSG and the Adviser Profile before engaging our services.

THE ADVICE PROCESS

Our advice to you is principally about developing appropriate strategies to achieve your financial goals, taking into account your current circumstances.

The two types of advice that can be provided by our Advisers are:

- **Personal Financial Advice** - Under Personal Advice we provide you with advice which takes into account your personal objectives, goals, financial situation, and needs. Where we provide you with Personal Financial Advice we will provide you with an advice document (Statement of Advice).
- **General Financial Advice** - General advice does not take into account your personal objectives, goals, financial situation, or needs. Where we provide you with General Financial Advice we will not provide you with an advice document.

1. Engagement and Discovery

We will spend time with you to ensure we understand your current personal and financial position. The quality of our advice is largely governed by the quality of the information that you provide to us. This data collection can take considerable time as we seek information from external parties.

If you decide to obtain personal financial advice, your Adviser will need to determine your needs, objectives, and relevant financial circumstances. At the initial appointment, your Adviser will typically gather the relevant information by using a client data collection form. Where your goals relate to investment or superannuation advice your Adviser will also work with you to define your level of risk tolerance. A Risk Profile Questionnaire is generally used to document and agree upon your level of risk tolerance. You will be asked to provide accurate information about your personal and financial situation and keep your Adviser informed of any changes to your relevant circumstances.

Your Adviser will use a Terms of Engagement document to define the arrangement with you, this will include any fees that may apply. This document will need to be signed prior to any work commencing. The fees will depend on the complexity of the advice. If, in developing your financial plan, we identify that the nature and scope of the advice to be provided differs to that initially agreed upon, our initial fee may change. In this case, we will provide you with an upfront quote of the amount payable before we proceed further with finalizing your Statement of Advice.

2. Strategy and Personal Advice

After obtaining relevant information, your Adviser will conduct research and develop a strategy to assist you to meet your goals and objectives. Where personal financial product advice is being provided, the strategy will be documented in a Statement of Advice. The Statement of Advice will include the basis of the advice, explanation of strategies and products recommended and relevant disclosures including costs of advice and products. The Statement of Advice includes an authority to proceed section where you can consent to proceed with the recommendations. Where a financial product has been recommended, you will generally be provided with a copy of the relevant Product Disclosure Statement (PDS). The PDS includes detailed information on the financial product including features, benefits, conditions, costs and cooling off rights (if applicable).

3. Implementation

Where you elect to proceed with the recommendations your Adviser will work with you to implement the strategy. This may include liaising with various insurance, superannuation, or investment product issuers. Where the recommendations include the purchase of a new financial product, your Adviser will work with you to complete the relevant Product Application Form. This may be online or paper based.

Where the recommendations include the purchase of an insurance policy, you may also need to complete a Health Questionnaire. This could be online, paper-based or over the phone. It is important to disclose any health or personal matters truthfully. Failure to disclose certain matters may result in a claim being denied.

DOCUMENTS YOU MAY RECEIVE

When your Adviser provides personal financial advice to you, you may receive one or more of the following documents. In addition, we can offer you a comprehensive ongoing review service for your investment portfolio and/or life insurance program.

Terms of Engagement (ToE)

The ToE will outline the scope of advice and financial services proposal including a quotation of fees.

Statement of Advice (SoA)

The SoA will set out the advice that has been tailored to your specific circumstances and provide you with details of all relevant disclosures including details of any remuneration payable.

Record of Advice (RoA)

The RoA may be provided in situations where further advice is provided. The RoA streamlines the documentation process by avoiding unnecessary duplication of information already provided in previous advice documents.

Product Disclosure Statement (PDS)

A PDS will be provided if a product recommendation is made and includes detailed information on the financial product including features, benefits, conditions, costs and cooling off rights (if applicable).

Fee Disclosure, Renewal Notice and Consent Form

Each year a Fee Disclosure and Renewal Notice will be issued to you in instances where you enter into an Ongoing Fee Arrangement with your Adviser for a period greater than 12 months. This document will outline the fees that were charged for the last 12 months along with the services provided.

It will also outline the fees that will be charged and services that you will be entitled to in the following 12 months. This document will also seek to obtain your consent and approval for the ongoing fee arrangement to continue and fees to be deducted.

You may request in writing a copy of any advice document up to seven (7) years after the advice has been given. If you have any questions about this FSG or the financial advice, investment and/or insurance products or services provided, please contact your Adviser.

HOW WE ARE PAID & ASSOCIATED COMPANIES

Before providing you with advice, your Adviser will agree with you in writing via our Terms of Engagement on fees that apply and explain any benefits we may receive.
